### **Examiner's Amendment**

Claims 1 – 8 are cancelled by applicant's request.

### **REASONS FOR ALLOWANCE**

Claims 9 – 20 are allowable. The following is an examiner's statement of reasons for allowance:

The examiner cannot find any applicable prior art disclosing a category-selecting step of selecting some of the categories, each having accumulated a symbol value greater than the other categories, thereby selecting a first number of categories in combination with the rest of the limitations of claim 1.

With regards to claims 9, 11 and 13, see the rationale for claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
